18 Anticipated Luxury Hotel Openings of 2023

New year, **new hotels**. As we head into 2023, we've rounded up some of the exciting hotel openings of 2023. These destination properties feature ultra-luxurious accommodations and intuitive personal service. From a 17th-century palatial estate in the foothills of Mallorca's Tramuntana Mountains to a heritage resort replete with Arabesque art and design on the Red Sea, each of these new launches inspire adventure and indulge a sense of exploration with distinctive on- and off-property experiences rooted in local culture.

The BoTree, London, UK

One of London's hottest new openings with conscious luxury at its heart, The BoTree is located at the cross-section of Marylebone and Mayfair – two of the city's most central neighbourhoods and a lively destination for visitors to experience. Interiors will reflect the property's location on Marylebone Lane, and includes colourful, textured fabrics by award-winning designer, Concrete. In addition to 199 guestrooms, including 29 suites, the new build will offer dedicated hosts on each floor and open plan rooms with sliding panel doors for guests to customise spaces – from a single guestroom to an entire wing of the hotel. Other highlights include a rooftop restaurant and bar with city views, a private screening room, and a live music and entertainment venue with a capacity for 450 guests.
