**Editor's Note:** We know COVID-19 is continuing to impact your travel plans. Should you travel now, be sure to familiarize yourself with the CDC's latest guidance on [domestic](#) and [international](#) travel as well as local requirements, protocols, and restrictions for both your destination upon your arrival and your home city upon your return. Be safe out there.

Toss those mundane New Year's resolutions out the window and focus on what really matters in 2023: going cool places and doing cool things. Get outside of your comfort zone (i.e. zip code) and take advantage of the nearly non-existent travel restrictions. It's been a minute since we could say that, huh?

Between Christian Louboutin's 13-room boutique hotel in Portugal inspired by his most influential designs, and famed interior decorator Martin Brudnizki's La Fantaisie opening in Paris, there are plenty of opulent new hotspots all over the world to explore in the new year.

Here are the most highly-anticipated hotel openings of 2023, according to *Vogue*:
